Fiji (International Travel Maps)

Synopsis

Travel map of the islands in color. Color changes show elevation levels. Distinguishes roads from major roads (mostly paved) to tracks; railways (for sugar cane); ferries and cargo vessels; airports; national parks; cities and other settlements; accommodations; beaches; diving/snorkeling; surfing; points of interest. With information about cruises, temples, and other things to do and see. Shows airports, ports, bus stations, gasoline stations, post offices, medical facilities, accommodations, museums, points of interest, archaeological sites, mines, oases, caves, beaches, hiking, more. Index of islands and villages. Reverse side has close-up maps of Viti Levu and Vanua Levu, Suva City, each with its own index. Latitude/longitude grid. Main map scale 1:525,000. Distances in kilometers and miles. Printed on both sides.

Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

item received as expected

We used the Moon Handbook Fiji and the Lonely Planet Fiji books along with this map and got

along fine. All three were useful for different purposes. Although weight is a factor when traveling this far and dragging all the baggage through checkpoints, its worth having all the right information to get you in tune with the customs and on the rightroad. You can never have enough maps, this one is one of the most current.
