My outstanding Catholic Grand Parents, Ben and Anna Greve, taught me Biblical morals and fundamental Christian teaching starting at 2 or 3 years of age. I am eternally appreciative to them for their Biblical teaching. Your children and grand children will appreciate your teaching them sound Biblical principles. God Teaches Children to be Thankful and to trust God, using scriptures, creative

examples and children's stories to help kids be thankful, excited, joyful persons. This book uses original and creative approaches to teach children the Biblical principles to be thankful and trusting God. I wholeheartedly recommend this book for 2 to 7 year olds. --Don Greve Saint's Mark

About the Authors and Illustrators: Agnes and Salem de Bezenac have two children. This has been one of their lives' greatest joys. During their preschool years, Agnes, (a teacher by profession) and Salem (a music producer) began looking for ways to positively encourage their children in learning good values and morals. After some dramatic experiences, and some changes of priorities, this has now become their mission. They saw first-hand the sad effects of a society without virtues and values. Today, they devote most of their time to Salem and Agnes live in France (Agnes being French) with their two children (and their cat) and hope to continue being a blessing to others for as long as possible.
