Nalle Puh Winnie-the-Pooh In Finnish: A Translation Of A. A. Milne's Winnie-the-Pooh Into Finnish (Finnish Edition)

Synopsis

Nalle Puh WINNIE-THE-POOH Translated into Finnish. A Translation of A. A. Milne's "Winnie-the-Pooh" into Finnish by Anna Talaskivi. Nalle Puh is the Finnish name for Winnie the Pooh. Nalle means teddy bear in Finnish. This is part of a project to translate Winnie-the-Pooh into other languages. Children need to learn to read at an early age and the best way to teach them to read is to provide reading materials that they find interesting. Children around the world laugh when they see Winnie-the-Pooh saying and doing silly things. Since Winnie-the-Pooh is the most popular children's book world-wide, translating this book into the different languages of the world will be conducive to teaching children to read in those languages. We are not translating the entire book. We are only translating Chapter 2, which is the most interesting, most popular and shortest chapter.

Alan Alexander Milne was born in London on January 18, 1882, the third and youngest son of a schoolmaster. In 1920, Christopher Robin Milne was born, an event that was to change the history of children's literature. In 1923, during a rainy holiday in Wales, Milne began work on a collection of verses for children. The result was *When We Were Very Young*, published in 1924. Demand for Milne's whimsical work was overwhelming, and in 1926, he duplicated his earlier success with the publication of *Winnie-the-Pooh*. Milne continued to be a prolific essayist, novelist, and poet until his death in 1956.
