Customer Reviews

This is a complete rip-off - as far as I can tell, it's no more than a collection of Joan River's jokes copied off the Internet (and not always accurately) and then thrown haphazardly together to get to the \$10 in your hip pocket. And I bet JR or her estate don't get a penny in royalties. Disgraceful.

A total rip off of Joan's work !

A TOTAL waste of 7.99. This would NOT be published if Joan Rivers was still alive. This went into the TRASH! YUCK!!!

Bought for my mom, who turned "55" again. She loves Joan, and even though the material is in her other books she said she still enjoyed reading the punch lines.

I expected too much. When I heard it was a paperback book, I expected a large, thick book filled

with jokes. I expected at least 100 or so pages. What I got was a 26 page book that is very thin and hardly even worth printing. Granted, the content, the actual jokes are all hilarious, timeless and funny. It does a good job of showing the depth and breadth of Joan's work. It however is not enough to satisfy this Joan fan. What we really need is a book that publishes all of Joan's joke catalog, which as any Joan fan knows is very large and expansive. She basically kept an archive of every joke she ever wrote.

Thought it was more of a list than a book

I've seen better

Fun, quick read. Can hear Joan saying these quotes.
