Amish Romance: The Promise (Hollybrook Amish Romance: Greta's Story Book 2)

Synopsis

Greta Glick paces the wooden floor, and every creak sends shivers up her spine. Isaac Wagner is coming home. What will happen now? Will they fulfill their promise? Greta and Isaac promised Isaac's wife that they would marry each other upon her death. But when Betty dies, Isaac leaves the state with his baby son. Greta is left in turmoil, harboring her secret love for Isaac. After Isaac leaves and having no choice, Greta moves on with her life. She meets Todd Fisher, a strapping young farmer who is more than a little interested in Greta. He brings laughter to her life, even managing to pacify her crotchety father. Life holds promise again. But now, with Isaac's return, what will happen? Will Isaac expect her to carry out the promise? Or will he set them both free? And what does Greta really want? deep in her heart of hearts? The Promise is a sweet, clean, inspirational Amish Romance—part of the much-loved Hollybrook Amish Romance series. The Promise is a touching Christian story of hope, family loyalty, and true love. Enjoy this tender romance today! Grab your copy now!

Customer Reviews

This is an interesting concept. A death bed promise made by a grieving husband and a best friend, to marry each other. After the funeral the husband took the baby son and went to stay in another community with his family for awhile. The best friend, Greta, continued life as it had been, but always wondering if she and Isaac would follow through with the promise. Meanwhile, the young man working her father's farm land is showing interest in her. I am looking forward to continuing this story to see the outcome. I am not sure that I would be able to fulfill such a promise, knowing the other didn't feel love.

The story pulls you into the characters and you feel such empathy for them. After making the death bed promise, will they really do as they promised? For Greta to fulfill her end of the promise would rescue her from an intolerable situation, but could she really do it? What about Isaac? Would he really do as he had promised at his wife's death bed? It keeps a person wondering and when the story ends, you immediately look for the next book in the series.

What happened? I knew I should have read the reviews. It was only because of my bad habit of checking the back of the book after getting a little bit into it that I discovered this is a serial story. The nice thing about Kindle books is that you don't have to wait until you can get out to get the new one, but it has discouraged me from finishing or continuing on in the series. The story has potential though if you don't mind this story form.

I can't imagine having to make such a promise as Naomi and Isaac did before Betty died. But, the love Naomi has for the baby, hopefully the marriage will work out. I am looking forward to reading the next book

Greta is tested in this book in the trilogy. The grace with which she handles life's ups and Downs is an inspiration. It is a part of me that I need to develop!

Book 2 leaves you wondering if it will happen. Problem is, I like the other guy! Gee! It isn't open ended. I am off to read the next one.

Really enjoyed reading about the characters and the storyline. Held my interest throughout the book. Look forward to more by this author.

Good story. Beautiful writing. But the book stops and you have to buy more story. I won't purchase any more from this author. I'm looking for a complete book. I feel cheated by the author.
