The Richest Woman In Babylon And Manhattan: (The Goddess Of Wisdom Teaches Seven Secrets For Financial Fitness about Woman & Money Book 1)

Synopsis

#1 BEST SELLER - "The TIMELESS TRUTH ABOUT YOUR MONEY-HONEY, AND THE TRUTH IS ALWAYS IN FASHION" • PRAISE FOR THE RICHEST WOMAN IN MANHATTAN AND BABYLON "Buy this book and give it to your daughters" • Susan Harrow, author of *Sell Yourself Without Selling Your Soul* "A highly entertaining, thoroughly modern remake of a classic guide to financial prosperity that resonates with the heartbeat of the contemporary woman. Read it and you'll be laughing all the way to the bank." Stephanie Gunning, bestselling author, editor, and publishing consultant The 7 habits of highly effective women in a new clever concept, very conversational and easy to read. As a publishing coach, I read a lot of books and they are not this clever. A great book for teens and kids in college too! Elaine Wilkes Ph.D., author of *Natures Secret Messages* The Richest Woman in Babylon and Manhattan is "a CLEVER and CREATIVE adaptation of George S. Clason's timeless classic. Finally, women have a prosperity guide of their own and I'm buying each of my daughters one." JW Dicks, Esq. author *Celebrity Branding You* PRODUCT DESCRIPTION ANCIENT & MODERN WISDOM FOR WOMEN WITH STYLISH PARABLES FOR FINANCIAL + SPIRITUAL HEALTHY and BEHOLD, the laws of the Goddess of Gold apply to ancient Babylon as well as modern day Manhattan. Meet Ambha the nurse-yoga teacher, and Melanie the caterer-raw food chef, hardworking women who are stressed, suffering with financial worries and weary souls. They meet Helen Gold, the Richest Woman in Manhattan, who shares her seven remedies to cure their lean purses AND teaches them how to GET money, KEEP money and MAKE their money earn more money. Spoken in captivating parables, each one a jewel, this timeless tale weaves a path that begins in Manhattan and ends with the wisdom of the Richest Woman in Babylon. This book will fatten the purses and illuminate the souls of countless women the world over with its simple, proven truth. "THE TRUTH NEVER GOES OUT OF STYLE"

Customer Reviews

Annette Tersigni's rendition of this best selling classic of 1926 by George S. Clason is amazing. The "Goddess of Gold" has a message and jewels of wisdom for us and Annette captured the 7 principles in her captivating parables. It was a delight to read, read things I already knew and experienced an awakening of things I had forgotten. Ditto Susan Harrow, author of "Sell Yourself Without Selling Your Soul" - Buy this book, one for yourself to awaken your heart and inspire your soul, and give one to each of your daughters for an education on how to create wealth from a lean purse. Seize the Moment! I first read "The Richest Man in Babylon" in 1975 when I started my job at Honeywell, Inc. I was a single mom and wanted to buy a house. I had no idea how I would be able to afford to purchase a home for my son with my income. I made an appointment with the banker just across the parking lot on the corner of Century and Airport Blvds in Los Angeles. I can't remember the banker's name, at that time it was Crocker Bank (now gone), but I am forever grateful for the banker's advice and recommendations. One bit of advice was to read this book. Needless to say, I transformed my thinking, attitude and behavior about money. I began investing in myself first, which was a major adjustment of delaying gratification. I diverted 10% of my income into a saving (with the help of my banker's constant encouragement and reminder not to touch it no matter what the situation. It was my now called my "Principle" and I had to protect it. I gave away 10% right off the top to different charities. I started a little business with MLM (now Network Marketing). The MLM investment was affordable and so was the risk. The possibility was there to leverage my little investment and it was up to me to seize the opportunity, which in essence was sweat equity! I was a "Holiday Girl", which meant I sold "Holiday Magic" band lotions and potions when I wasn't in class or

at work. By the way, I did have classmates and work buddies as customers. Something amazing happened, in just two years I was able to purchase my own brand new home in a new development. It was awesome knowing I could afford a new home. I had so much fun looking at different neighborhoods, models and square footage. I finally selected the development in the community where I wanted to live, the location and the street. I put 10% down and started the process. It was so exciting. I re-designed the floor plan and picked appliances, window coverings and flooring. I redesigned the entry foyer and custom designed the fireplace, opened up the master bedroom wall and put in sliding doors to enter the back yard from my bedroom, where there was room for a pool. The following year I put in a pool! I was the only single woman owner in the new housing development - an obvious rare feat in 1977.

"The Richest Woman in Babylon and Manhattan" introduces the same Seven Principles as the classic, yet in the language for women:

- 1) Fatten Your Purse - Pay yourself first 10% off the top. Give and Invest.
- 2) Control Your Expenditures - Guard your desires. Stay within your budget.
- 3) Make Your Moolah Multiply - Put your money to work honey. Always get advice to avoid pitfalls of investments.
- 4) Guard Your Treasures From Loss - Protect your "Principle" from loss. Watch out for corrupt banks and greedy lenders.
- 5) Build Your Home Into A Profitable Investment - Own land. Leverage your our home and money. Grow herbs and a money tree.
- 6) Insure A Future Income - Love what you do. Do what you love. Become an expert at it.
- 7) Increase Your Ability To Learn and Earn - Awaken you heart and soul for the great adventure. Cultivate and educate yourself through mentors, coaches and by reading books to increase your financial savvy. Get a Mentor. Be coachable. Become a Mentor.

Ladies - Buy this book - see #5 - a new rendition of this classic written for women.

My Five Favorite Books from my mentors and new Transformational Author friend, Annette tersigni R.N.

Must Read Recommendations:

- 1) "The Secret of the Millionaire Mind", T. Harv Eker - Master wealth. Identifying your money blueprint.
- 2) "One Minute Millionaire", Mark Victor Hansen and Robert G. Allen - Simple wealth building techniques
- 3) "The Millionaire Mentor", Greg S Reid - Get a mentor. Become a mentor.
- 4) "Rich Dad Poor Dad", Robert Kiyosaki - Four quadrants to work less and earn more
- 5) "The Richest Women in Babylon and Manhattan", Annette Tersigni R. N. - Give the Law of the "Goddess of Gold" to our daughters

Click, Buy it. Read it. Follow it. Pass it on.

"The Richest Woman In Babylon And Manhattan: With Seven Timeless Remedies to Cure a Lean Purse

In today's society where we tend to spend most, if not all of what we make, on desires, whims and interest charges. This book is more valuable than ever!

Sending Love and Light

To your Health, Wealth and Prosperity

Saquina Akanni~ The Prosperity Doctor

News of this book came to me while seeking clarity about where to invest my energy next... little did I know that illumination would come in this compelling tale about fattening one's purse...This book is an easy and speedy read, arousing both laughter and readiness to take on the challenge of one's own financial life...Tersigni has distilled timeless wisdom of the spirit and the wallet...for any woman who is ready to let go of her fear and avoidance of money topics, or feels she has been investing without return as the martyr...her money, time, love, or body... let these pages (re)ignite the desire to contribute both to the world and to your own net worth, in every sense of the word.

My mother always had a lean purse. She didn't have the information to pass on to me and I followed her examples. The Richest Woman in Babylon is entertaining and confronts a serious topic. Even though I knew some of the information presented, I like the change of perspective it gave me. I learned that a lean purse can also be a state of mind and there are tangible ways to improve it. Following any step can lead to changes of set patterns that put into motion, can fatten your purse leading to a much more empowered mindset.

If one needs to improve health then a change in eating habits is usually in order. To improve financial reserves the basis isn't more money but a change in spending/saving habits. The Richest Woman in Babylon and Manhattan outlines 7 steps that are simple yet powerful to promote ways to fill your purse. Anyone can start and follow the steps. Annette recommends spiritual learning along with the steps. The spirituality is for self belief and ability to recognize opportunities. It is a fast read and one to pass on to all of your friends!

Annette Tersigni tells a wonderful allegory of how we can attract wealth through an attitude of overcoming all obstacles that stand in the way of our brilliance, and yes, our beauty! We do this through timeless and ageless principles that Annette outlines perfectly. A great book for women and the men who want the women in their lives to be free.Kate Loving ShenkÃ ˆ Prayer Prescriptions For Nurse Healers (The Prayer Prescription Series)

Dont get me wrong, I appreciated the simple (not easy) advice the author presents. However for \$15 I was expecting more. I found multiple grammatical and punctuation mistakes, as well as the typesetting misaligned on most pages. The text and cover look like the printing machine was running out of ink when it came off the press. Did this book go to a copy editor at all? It would have helped quite a bit.

I am so glad I was recommended to read this book. It is a quick and easy read... great for us nurses who do not have much time! I enjoyed the practical tips and have already starting implementing some into my own life. It was a great reminder that we are in charge of our own destiny. We can take a proactive stance in our wealth... and in our health! Thank you Annette for a fabulous book!

An easy read with VERY actionable ideas. Annette reminded me of some of the money/finance basics I learned on Active Duty..... and obviously forgot - but that won't happen again. This book probably saved my marriage!
