The Landing Of The Pilgrims (Landmark Books)

Synopsis

In England in the early 1600s, everyone was forced to join the Church of England. Young William Bradford and his friends believed they had every right to belong to whichever church they wanted. In the name of religious freedom, they fled to Holland, then sailed to America to start a new life. But the winter was harsh, and before a year passed, half the settlers had died. Yet, through hard work and strong faith, a tough group of Pilgrims did survive. Their belief in freedom of religion became an American ideal that still lives on today. James Daugherty draws on the Pilgrims' own journals to give a fresh and moving account of their life and traditions, their quest for religious freedom, and the founding of one of our nation's most beloved holidays—Thanksgiving.

Book Information

Lexile Measure: 990L (What's this?)

Series: Landmark Books

Paperback: 160 pages

Publisher: Random House Books for Young Readers; Reissue edition (February 12, 1981)

Language: English

ISBN-10: 0394846974

ISBN-13: 978-0394846972

Product Dimensions: 5.2 x 0.4 x 7.6 inches

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 31 customer reviews

In England in the early 1600s, everyone was forced to join the Church of England. Young William Bradford and his friends believed they had every right to belong to whichever church they wanted. In the name of religious freedom, they fled to Holland, then sailed to America to start a new life. But the winter was harsh, and before a year passed, half the settlers had died. Yet, through hard work and strong faith, a tough group of Pilgrims did survive. Their belief in freedom of religion became an

American ideal that still lives on today. James Daugherty draws on the Pilgrims' own journals to give a fresh and moving account of their life and traditions, their quest for religious freedom, and the founding of one of our nation's most beloved holidays--Thanksgiving.

A classic view of the pious Pilgrims and their determination to worship as they chose. Some interesting information not highlighted in other histories of the time. Antithesis of the Jamestown approach.

The landing of the Pilgrims is always an attention grabber for children when they are learning it for the first time. It's been the topic of many a Thanksgiving play for young students. This book adds detail to the otherwise encapsulated version in history books.

Always fun reading Landmark books.

I got this to help with my daughter's social studies project. It is a good study.

Great book on history! Teen daughter learned a lot for her history class!

This is a great, in-depth overview of the pilgrims for children beginning with 'young Will Bradford' and 'Master Brewster' in Scrooby, England. It follows the pilgrims on their flight to Amsterdam and Leyden, then onto the Mayflower (and briefly the Speedwell), and finally their landing off of Cape Cod. It gives very detailed descriptions of the pilgrims' experiences -- often using direct quotes from "Of Plymouth Plantation" by William Bradford. We are homeschoolers and read this aloud over a two week period as part of our study of American History. I highly recommend it -- along with almost all of the other Landmark Books!

We love all the landmark books and are reading them for school this year. It is a great addition to what we are currently learning for homeschool.

It was very imformative. Caused me to be very appreiative of the pigirms for all they had to endure. we take our freedom to worship God so casually. It meant the world to them.
